

Whittemore House/WNDC Policy:

COVID-19 vaccination with booster is required for entry. Masking Optional.

Anyone wishing to enter the Whittemore House/WNDC must submit proof of full vaccination in the form of a Vaccination Card from the Centers for Disease Control and Prevention (CDC) or World Health Organization (WHO), a photo of same or an image from an approved private app.

The Club is continuing the requirement to provide proof of up-to-date vaccination status (which includes boosters).

Effective March 14, 2022 visitors will be considered fully vaccinated only if BOTH of the following conditions are met:

- At least 2 weeks have passed since their second dose in a two-dose series (e.g. Pfizer or Moderna) or 2 weeks have passed since their single-dose vaccine (e.g. J&J); and
- They have received a booster if 6 months or more have passed since their second dose of a two-dose series or 2 months or more have passed since their first dose of a single-dose vaccine.

We thank you for your continuing contributions to our safe and lively Club.
